#### 1. SPR 15TH ANNUAL MEETING CALL FOR PAPERS

The Society for Prevention Research announces its 15th Annual Meeting "Advancing Science-Based Prevention: Creating Real World Solutions" that will take place in Washington, D.C., May 30 - June 1, 2007. All participants are encouraged to submit abstracts for individual paper and poster presentations, organized paper symposium, poster forums, roundtable discussions/scientific dialogues and technology demonstrations.

Please visit the SPR website at <http://www.preventionresearch.org/meeting.php> to view the 2007 Call for Papers that includes details on the theme and author instructions.

Abstract submissions will be managed by the Community of Science (COS) website. The site will open Wednesday, September 6, 2006. Please note that the abstract submission deadline is Monday, October 16, 2006.

#### 2. CALL FOR PROPOSALS, COMMUNITY-CAMPUS PARTNERSHIPS FOR HEALTH

Community-Campus Partnerships for Health 10th Anniversary Conference "Mobilizing Partnerships for Social Change"  
April 11 - 14, 2007 in Toronto ON Canada  
Details at: [www.ccph.info](http://www.ccph.info)

Community-Campus Partnerships for Health (CCPH) is convening its 10th anniversary conference, April 11-14, 2007 in Toronto, to nurture a growing network of community-campus partnerships that are striving to achieve the systems and policy changes needed to address the root causes of health, social and economic inequalities. The conference seeks to build knowledge, skills and actions for achieving healthy and just societies.

They invite you to share your knowledge, experience and lessons learned with hundreds of colleagues who - like you - are passionate about the power of partnerships to transform communities and academe. Deadline: October 6, 2006. ([Download PDF Version: CCPH 10th Anniversary Conference, Call for Proposals](#))

#### 3. CALL FOR PAPERS: JOURNAL OF PREVENTION AND INTERVENTION IN THE COMMUNITY

Editors: Jordan Braciszewski, Debra Jozefowicz-Simbeni, Paul Toro (Wayne State University)

The editors invite manuscripts for a special issue on homelessness, services, and interventions designed for all ages of the homeless population. Topics may include, but are not limited to, school-based interventions for homeless children, post-foster care programs for the prevention of homelessness among adolescents/early adults, or long-term services for chronically homeless adults. The overall goal of the special issue is to highlight high-quality research and evaluations on important and efficacious intervention and prevention efforts aimed at homelessness and homeless populations. Studies and interventions that involve community-based and/or participatory action methods covering key transitional periods (e.g., adolescence into early/emerging adulthood, early adulthood into later adulthood) are especially welcome. Deadline: November 15, 2006 ([Download PDF Version: Call for Papers: Journal of Prevention and Intervention in the Community](#))
